DUAL ENROLLMENT FOR MICHIGAN COLLEGES AND UNIVERSITIES INTRODUCTION

In 1996 the Michigan State Legislature passed Public Act 160, the Postsecondary Enrollment Options Act, or "Dual Enrollment Bill." The bill modifies and expands on current provisions of the State School Aid Act providing for the participation of eligible high school students in dual enrollment or postsecondary enrollment options. The bill also requires that the board of a school district or public school academy ensure that each student in eighth grade or higher be given information about college level equivalent or Advanced Placement courses; and permit students to take the ACT, ACTPLAN, or PSAT to qualify to take postsecondary courses. The classes that students are eligible for must not be offered by the high school or academy and must lead towards accreditation, certification, and/or trade licensing. If you have any questions, please contact Sam Sinicropi by phone at 517.241.1162, by email at sinicropis@michigan.gov, or by visiting the Michigan Department of Education Website at www.michigan.gov/dualenrollment.

The Career and Technical Preparation Act, 2000 P.A. 258, expanded the Postsecondary Enrollment Options Act, 1996 PA160, as amended, to allow high school students to dual enroll in both career and technical preparation programs as well as in academic courses at the postsecondary level. The Career and Technical Preparation Act (Public Act 258), as amended in 2006, provides a wider variety of options to high school students by encouraging and enabling qualified students to enroll in courses or programs in career and technical preparation programs at eligible postsecondary educational institutions. Payment for such enrollment is made from a school district's state aid foundation grant. The Act establishes eligibility criteria for students (including 5th year high school students) institutions, and courses; requires eligible charges (tuition, mandatory course or material fees, and registration fees) to be billed to a school district; establishes enrollment and credit requirements; requires school districts to provide counseling and information to eligible students and their parents; and requires intermediate school districts to report these dual enrollments to the Department of Education. For more information on this legislation please contact Diana Bailey, Program and Placement Specialist, in the Office of Career and Technical Education at baileyd@michigan.gov.

ADVANCED PLACEMENT POLICIES FOR MICHIGAN COLLEGES AND UNIVERSITIES INTRODUCTION

The Program

The Advanced Placement Program[®] is a cooperative educational endeavor between secondary schools and colleges and universities. Since its inception in 1955, the Program has provided motivated high school students with the opportunity to take college-level courses in a high school setting. Students who participate in the Program not only gain college-level skills, but in many cases they also earn college credit while they are still in high school. AP courses are taught by dedicated and enthusiastic high school teachers who follow course guidelines developed and published by the College Board.

The Program's success is rooted in the collaborative efforts of motivated students, dedicated teachers, and committed schools. By participating in the Program, secondary schools make the commitment to organize and support at least one class that is equivalent to a first-year college course.

There are currently more than 110,000 teachers leading AP courses in high schools worldwide. AP teachers are some of the world's finest. The Program is strengthened by their participation in professional development workshops and Summer Institutes and in the annual AP Reading where thousands of AP teachers and college faculty gather at college sites across the United States to score the AP Exams using rigorous guidelines.

The Program's Role

The AP Program plays a creative role as well as a facilitative one. As an intermediary among participating institutions, the Program does the following: Chooses college faculty and AP secondary school teachers who develop college-level Course Descriptions and examinations, and facilitates this development process; Administers and scores examinations based on the learning goals described in the Course Descriptions; Sends AP Grade Reports to the students, their schools, and their designated colleges; Prepares publications, online materials, and other resources to supplement and support the Program's activities; Provides conferences, consultants, and curricular materials to help interested schools establish college-level courses; Assists schools and teachers in their efforts to prepare students through professional development initiatives such as AP Vertical Teams[®]; Conducts research and strives to develop new services and products that enhance quality education.

AP Program Facts

The AP Program offers 37 courses in 20 subject areas. Nearly 60 percent of U.S. high schools participate in the AP Program. In 2007, 2.1 million AP Exams were administered nationwide. More than 60,000 teachers nationwide attended AP workshops and institutes for professional development last year. Over 90 percent of the nation's colleges and universities have an AP policy granting incoming students credit, placement, or both, for qualifying AP Exam grades.

ADVANCED PLACEMENT POLICIES

(Continued)

Effective April 8, 1996, Public Acts 160 (HB 4643) created the Postsecondary Enrollment Options Act (PSEO), providing for the participation of high school students in dual enrollment or postsecondary enrollment options. The bill is tie-barred to Public Acts 159 and 161, which, in part, direct the State Board of Education to publish a college level equivalent/Advanced Placement course directory.

Specifically, Public Act 159 (HB4640) states:

Sec. 1474.(1) The state board annually shall publish and distribute to school districts and public school academies, and upon request to non public high schools, a college level equivalent course directory. Subject to subsection (2), the college level equivalent course directory shall list postsecondary institutions in the state that grant college level equivalent credit and, for each of those postsecondary institutions, shall describe the institution's, college level equivalent credit policy and detail the specific courses and number of credits for which college level equivalent credit may be granted and the college level equivalent credit examination that must be completed and the score that must be achieved to qualify for college level equivalent credit for each of the courses.

(2) The state board shall not include information about a particular postsecondary institution in the college level equivalent course directory unless the chief academic officer of the institution, or his or her designee, review the information before publication and verifies in writing that it is accurate.

This section contains listings of awards of advanced placement credit for postsecondary institutions in Michigan. Credit is awarded for successful completion of any College Board advanced placement examination. Credits are awarded after official examination results are received and the student is enrolled in the institution. The number of credits granted for a particular advanced placement examination may vary from one institution to another and may depend on the score earned on the examination.

This publication reflects the most current institutional policies regarding Advanced Placement. All Michigan Colleges and universities were provided the opportunity to report on their Advanced Placement policies. For some institutions, this request was not applicable, and thus they are not included in this directory. While every effort has been made to present the most current information, it is always good practice to contact the institution with any questions that may arise upon review of the Advanced Placement policies contained in this section. If you have further questions, please contact:

Additional Policies: Some AP credits will fulfill requirements for both general studies and appropriate majors/minors.			

Cornerstone University Advanced Placement (AP)

Students may be awarded advanced placement or college credit on the basis of examination. The amount of credit and level of placement are determined by the recommendations of ACE that have been approved by the Cornerstone University Education Policy Committee. Test scores of 3 permits a waiver of the course while scores of 4 or 5 are necessary for awarding credit. No charge will be assessed for the processing of credits by exam. Earning credit by exam will not be allowed for courses previously waived to allow enrollment in an advanced course. Credit will not be granted for both exams that have the same equivalents (i.e. Calculus AB & BC).

AP	Credits	Cornerstone Equivalent
Art History	6	IDS 311 Imagination in Culture
Studio Art	6	FAR Elective
Biology	8	BIO151 - General Biology
Calculus AB	4	MAT 131 - Calculus I
Calculus BC	8	MAT131,132 - Calculus I, II
Chemistry	8	CHM121, 122 Gen Chem I & II
Chinese Language & Culture	6	Foreign Language Elective
Computer Science A	3	CSC 121 - Intro to Programming
English Lang/Comp	6	ENG 114 & ENG 212
English Lit/Comp	6	ENG114 & ENG223 Intro to Lit
Environmental Science	4	ECO 241 Environmental Science
European History	6	HIS Elective
French Language	8	FRN 201, 202 Intermediate French I, II
German Language	6	Foreign Language Elective
Comparative Govt & Politics	3	SSC Elective
U.S. Government & Politics	3	SSC 211 American Government
Human Geography	3	SSC 161 World Geography
Japanese Language & Culture	6	Foreign Language Elective
Latin: Vergil	6	Foreign Language Elective
Macroeconomics	3	ECN 231 Macroeconomics
Microeconomics	3	ECN 232 Microeconomics
Music Theory	6	MUS 113, 114, 117, 118

Henry Ford Community College

Advanced Placement Program Fact Sheet

Advanced Placement is a program offered to selected students in area high schools which provides the opportunity to accelerate their educational program by taking, in their senior year of high school, one or more subjects which are taught on a college level and which cover material of a college course.

The College Entrance Examination Board gives Advanced Placement Examinations covering advanced work in May of each year. Information regarding these examinations and dates can be obtained through your high school.

The divisions and departments of Henry Ford Community College determine what advanced placement courses will receive college credit at HFCC, as well as the minimum score required.

Students of Henry Ford Community College who wish to receive Advanced Placement credits must submit an official copy of the Advanced Placement test scores from the College Entrance Examination Board or send an official copy of the high school transcript which identifies the advanced placement course(s) and test score to the Office of Admissions, Registration and Records at the following address:

Office of Admissions, Registration and Records
Henry Ford Community College
5101 Evergreen Road
Dearborn, MI 48128

After the official transcript and request forms have been received, the Office of Admissions, Registration and Records will be:

1. Responsible for establishing an official student record and recording the Advanced Placement Course(s) on the student's official Henry Ford Community College transcript.
2. Responsible for sending a copy of the transcript to the student that identifies the Advanced Placement credits accepted by HFCC.

* College Level Examination Program (CLEP) is a national standardized test in selected areas and is accepted for college credit. The test is computer-based. CLEP is given on a walk-in basis at the Testing Center, Room 2210. There is a \$20.00 administration fee. Before taking the test, the administration fee must be paid at the Pay Station by cash, check, or credit card. There is a \$77.00 examination fee and must be paid by CREDIT CARD ONLY at the Testing Center.

It is advisable to call the Testing Center at 269-488-4460 to let them know you are coming. No CLEP tests are given two hours before closing. You must indicate Kalamazoo Valley Community College as the college of choice.

Upon receipt of your successful exam scores from CLEP, we will record the appropriate credit on your academic transcript.

If you fail the exam, you will not be able to retake the exam for 6 months.

A study guide is available from the Testing Center, Room 2210.

For more information regarding CLEP check out their website at www.collegeboard.com.

Advanced Placement Credit

Applicants who have completed Advanced Placement (AP) courses are encouraged to take the College Entrance Examination Board AP Examinations. The chart indicates scores needed to receive Kettering University credit. Students seeking AP credit should have an official AP transcript sent to Kettering University directly from the College Board AP Program. AP credits do not override prerequisite requirements.

2011-2012 School Year

AP Test Name	Score Required	Credit Awarded	Course Equivalent
Art, History of	4, 5	8	HA 150, HAGCU
Art, Studio-Drawing Portfolio	4, 5	3	STA 110
Art, Studio-2D Design	4, 5	3	STA 113
Art, Studio-3D Design	4, 5	3	STA 114
Biology	3	0	Waive BS 161, 162, 171, 172
	4, 5	8	BS 161, 162, waive BS 171, 172, gcu
Calculus AB	4, 5	3	MTH 132
Calculus BC	3, 4, 5	7	MTH 132, 133
AB subscore	4, 5	0	No Credit
Chemistry	3	5	CEM 141, 161
	4, 5	8	CEM 151, 152, 161
Computer Science A	4, 5	4	CSE 231
Computer Science AB	4, 5	4	CSE 231
Chinese Exam 28	5	15	CHS 102, 201, 202
	4	10	CHS 102, 201
	3	5	CHS 102
Economics-Macroeconomics	3	0	Waive EC 202
	4, 5	3	EC 202
Economics-Microeconomics	3	0	Waive EC 201
	4, 5	3	EC 201
English Language/Literature & Composition	3	0	Waive WRA 150
	4, 5	4	WRA 150
Environmental Science	4, 5	4	ISB 202, lab
French Language/Literature	2	0	Waive FRN 101, 102
	3	0	Waive FRN 201, 202
	4	8	FN 201, 202
	5	16	FRN 101, 102, 201, 202
German Language	2	0	Waive GRM 101, 102
	3	4	GRM 201
	4	8	GRM 201, 202
	5	16	GRM 101, 102, 201, 202
Government & Politics, U.S.	3	0	Waive PLS 100
	4, 5	3	PLS 100
Government & Politics, Comparative	3	0	Waive PLS 140

AP Test Name	Score Required	Credit Awarded	Course Equivalent
	4, 5	3	PLS 140
History, European	3, 4, 5	8	HST 205B, 206
	2	0	Waive HST 205B, 206
History, U.S.	2	0	Waive HST 202, 203
	3, 4, 5	8	HST 202, 203
Human Geography	4, 5	3	GEO 151
	3	0	Waive Geo 151
Italian Language and Culture Exam 62	5	16	ITL 101, 102, 202, 202
	4	8	ITL 201, 202
	3	No credit	Waive ITL 201, 202
	2	No credit	Waive ITL 101, 102
Japanese Language Exam 64	5	15	JPN 102, 201, 202
	4	10	JPN 102, 201
	3	5	JPN 102
Latin Literature/Vergil	3	0	Waive LTN 101, 102
	4	8	LTN 101, 102
	5	11	LTN 101, 102 & either 206, 208, 211, or 221. Also waive either 206, 208, 211, or 221.
Music Theory	5, 4, 3, 2, or 1	No credit	
Music- Aural Subscore	5, 4, 3, 2, or 1	No credit	
Music – Non-aural	5, 4, 3, 2, or 1	No credit	
Physics B	4, 5	6	PHY 231, 232
Physics C-Mechanics	4, 5	4	PHY 183
Physics C-Electricity and Magnetism	4, 5	4	PHY 184
Psychology	4, 5	4	PSY 101
Spanish Language/Literature	2	0	Waive SPN 101, 102
	3	0	Waive SPN 201, 202
	4	8	SPN 201, 202
	5	16	SPN 101, 102, 201, 202
Statistics	4, 5	3	STT 200
World History	3, 4, 5	8	HST 140, 150
	2	0	Waive HST 140, 150
